Changing the lives of
Blind, Visually Impaired and Dyslexic Children

THE SQUARE TRANSFORMED FOR THE SOHO FUN RUN

In Aid of Vision Charity

They ran, they dressed up and they partied in this much anticipated annual event

The Soho Fun run, organised by Vision, which raised funds for blind, visually impaired and dyslexic children, returned for another year. On 9th July 09 60 teams of three-legged runners proudly sporting Vision Charity T-shirts with their legs bound with red tights ran through the streets of Soho.

They had the added bonus of stopping off at check points to solve challenges and sample the delights of the hospitality offered by many of the companies who sponsored the event.

The race ended at Soho Square where the runners were treated to hospitality with a live band and a DJ. This event, which was organised by Bubble and Squeak for Vision, was fantastic fun and raised much needed funds which will benefit the blind, visually impaired and dyslexic children that this charity seeks to help.

The winners were decided ultimately by the phrase they came up with regarding their feelings for Soho.

The Winner and the Runners up will be reported tomorrow.

Larry Davis, Vision Executive Director, said "It was marvellous to see so many people having such a wonderful time. We would like to thank all those who took part, our generous sponsors and would like to extend a special thanks to Sadie Groom and all her team at Bubble & Squeak for organising it. Finally, I would like to congratulate the winners and I hope to see everyone next year."
